

# Aggregatzustände

Bemale die Felder in der richtigen Farbe!

fest = rot

flüssig = blau

gasförmig = gelb

das Meer

der Schnee

das Eis

das Wasser

der Regen

die Milch

der Tee

der Saft

der Eiskwürfel

der Wasserdampf

The image shows a collection of 12 circles arranged in a roughly circular pattern. Each circle contains either a text label or a small image. The labels are: 'das Meer', 'der Schnee', 'das Eis', 'das Wasser', 'der Regen', 'die Milch', 'der Tee', 'der Saft', 'der Eiskwürfel', and 'der Wasserdampf'. The images are: a grid of red spheres (top center), a water droplet with ripples (top right), a grid of blue spheres (middle), and several ice cubes (bottom right). The circles are intended to be colored based on the state of matter: red for solid, blue for liquid, and yellow for gas.
